T3680 Excellence

- T3680 Excellence provides texture and pattern in a blend of colours that create an atmosphere of warmth. Complementary or contrasting colours can be selected from an extensive pallet to meet the demands of any interior scheme.

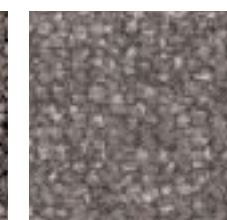

- 100% solution dyed Dupont Antron Excel SC yarn gives you a worry free, high performance product. High resistance to soiling because of the four-channel square cross section hollow filament fibre and Teflon protection. Extremely easy maintenance and excellent retention of appearance makes T3680 Excellence ideal for extra heavy traffic areas such as corridors, halls and airports.
